WHAT IS DESTINY PORTALS

Destiny Portals is a place to cultivate a deeper understanding of yourself and align your "now" for you to be on the path of living your legacy.

There are 8 main elements that are part of the Destiny Portal Experience.

Divination for a clearer view Now, your questions asked

Divination of your Life Path, your base Divination of your Ancestral Lineage track

(each with the option of being face-to-face on our devices)

Remote Coaching

Remote Healing

And 3 different

Immersion Experiences
that are inside the
Sacred Gateway Gardens
in central Florida
(see videos and pictures)

1 day - Shedding & Clearing or

3 day - Deeper Lineage Shedding & Destiny Empowerment Full Immersion

or

Fully Customized Experience we create together.

We begin with opening and defining your "now"

experience through an ancient binary code divination system.
(a full write up of what that entails as well as a video will define that clearer for you)

Vassa will provide coaching & teaching sessions...as well create with you incredible transformational customized retreat experiences.

Vassa has created gateways into sacred portals on the ancient ancestral land she calls the Sacred Gardens. Each gateway provides an opening to deepen your connection with your legacy.

Tap into the resources that will elevate your life experience. Live free from the past obstacles and be open for all the universe has today for you to tap into for empowering your future.

Vassa bridges an ancient system into todays quantum physics world.

Vassa is living her legacy as she creates these opportunities for people across the globe.
